

Executive Roundtable

The Executive Roundtable is a structured forum for executives to dig deeper and examine what it means to be an inclusive leader. These sessions challenge your executives to be introspective, open up and recognize opportunities for both individual and organizational growth. We introduce a common language, prioritize and model human connections and facilitate provocative, personal, and productive conversations in across a diverse spectrum of leadership topics. We provide tools, tactics, and techniques to engage executives on how to handle sensitive conversations and simplify complex goals, and explore various business performance issues impacted by cognitive, social and institutional biases.

Outcomes of the Percipio Company Executive Roundtable:

- Learn to tell your own identity story. Increase organizational agency.
- See yourself in the solution and an active champion for strategic initiatives.
- Peer networking and sharing of best practices for mitigating unconscious bias and its impact on decision-making.
- Cultivate a language and develop leadership skills to confidently embrace nuanced situations and relationships.
